

Bridgekids Parent Involvement Form

We are asking Bridgewood parents to partner with us as we teach and train our children by serving in the children's ministry in some type of role at least once a month(12 times a year). *(The exceptions are families that have **both parents** involved in serving monthly in some form of ministry such as greeting, ushering or worship team).* The key to developing our "Bridgekids" for Jesus is the participation of parents in this ministry. Together we share a vested interest in our children and through team effort we can help children reach their potential in Christ.
